Gospel Reflection:

[John 3:14-21](#)

In teaching Nicodemus, Jesus uses a familiar story from the Old Testament (Numbers 21:4-9) about Moses. When Moses lifted up a bronze snake in the desert for all to see, those who had been bitten by snakes were healed. Jesus says that he too must be lifted up so that all might have eternal life through him. He will be lifted up on the cross. But he will also be lifted up in his resurrection and in his ascension to the Father. Whoever looks at him in faith will receive eternal life.

Followers of Jesus recognize him as the light that came into the world. They live truthfully in the light, unlike those who choose the darkness and do evil deeds.

Picture the entire world today as a patient in a doctor's office. What might the doctor say is wrong with the world's health? List some of the problems Jesus might point out and name some of the ways the followers of Jesus can be healers in our world.

How do members of your family, school community, and parish show that they are living in the light? What can we do to help others choose to live truthfully in the light?
