Gospel

[John 15:1-8](#)

A family tree illustrates how each of us belongs to a particular branch of the extended family of our ancestors. In this gospel, Jesus speaks about himself as the vine and of us as the branches that belong on the vine. We are the fruitful branches that are "trimmed by" the Father to produce good works in the world.

Without the vine, the branches dry up and die. But when we live by the words Jesus has given us, we produce abundantly all that is good.

Like the good shepherd, the vine and the branches are an agricultural image. In biblical times, many people were familiar with farms and vineyards. What images from modern life do you think Jesus might use to illustrate how we belong to him? What evidence do we as families or as a parish give that we are branches of Jesus' vine? What good works do you most want your parish to produce abundantly? How can you help to make that happen?
