**Gospel**

**Luke 9:28b-36**

Wouldn't it be wonderful to see your best friend transformed, or turned into his or her glorified self, right before your eyes? That's the kind of experience Peter, James, and John have in today's gospel. While they are up on a mountain with Jesus, they have a splendid vision of him in his glorified body. They see him talking with Moses and Elijah, two long-dead figures from the Old Testament. Moses represents the Law, while Elijah represents the prophets. In Jesus, both find the fulfillment of God's plan of salvation.

The disciples are awed when the voice of God confirms Jesus' identity: "This is my Son, my Chosen One." How will you honor Jesus as the Chosen One of God during Lent?

Three traditional ways are: daily prayer, fasting, and sharing with the poor (almsgiving). How can you include these three Lenten practices into your daily life?

## Here are some suggestions of what we can do for Lent.

**1) Do a very humble and sorrowful confession.** Take the time to go over a very good examination of conscience and write down your sins so as to not forget them. Often we get nervous in the confessional and can forget them. Stating how many times and when was the last time you committed the sins. This helps the confessor to give you the right penance and to help you root out these vices.

**2) Pray the Holy Rosary.** Meditate prayerfully on the Passion of Jesus (Sorrowful Mysteries) everyday during lent. It would be even more effective, if the whole family prays it together. Set a time to pray when people are home and not too late when everyone wants to fall asleep. Try to put your heart into the words and meditations on the passion.

**3) Read the Bible.** Read and meditate on all that led up to the passion and crucifixion of Jesus. Each Gospel depicts the passion and crucifixion a little differently.

**4) Pray the Stations of the Cross Slowly.** Take yourself back in time to the Holy Land, retracing the steps of Jesus on His way to Calvary. Search for a good traditional pamphlet on the Stations and use it. This is usually done on Friday, but it would also be good to do everyday of lent.

**5) Read a traditional Catholic book.** Like the *“Imitation of Christ”* or *“The Secret of the Rosary”*. Any book that will encourage and inspire you to be happier and holier.

**6) Make time for heartfelt prayer.** Talk heart to heart with the Father, Jesus and the Holy Spirit. Then have faith that God has heard your prayers.

**7) Disconnect from social media and News.** Fast from Facebook, blogs and use your Cell Phone, computer, to the absolute minimum. We need to be connected to God instead, not the internet and the cell phone. Help your children to not use video games and electronic devices at all.

**8) Stop watching the news.** Instead use this time to pray for the world governments. What good does it do us to be depressed over all the evil things going on in the world that we have no control over? What good does it do to be aware of the weather? This time can be much better used to love and communicate with our families and make our home a happier world where they can see the difference. Use time to eat and play together as a family. Take time to communicate with each other and love each other more.

**9) Fast by eating healthy and as a family.** Sacrifice time to make delicious healthy home made meals that everyone can enjoy. Stay away from desserts and sodas. Set the table and enjoy each others company.

**10) Forgive and Pray for those who have hurt you.** Forgive everything from the past, once and forever. Holding on to pain from our childhood, our parish, our spouses, does more harm to our spiritual life than you can imagine. “Forgive us our trespasses as we forgive those who trespass against us”, “Love your enemy”, “Pray for those who persecute you”, Jesus. Pray for all those who are destroying Catholic doctrine and liturgy too.

**11) Stop taking the Salvation of The World on your Shoulders.** Jesus is the savior of the world. We are just to help those with whom we have influence. And let us not forget, salvation starts with our own souls and family. Every time you get depressed about the pope, bishops, priests, religious and laity, get down on our knees and pray about it. Then, give it over to God, Mary and the Saints to take care of it. We only do what ever we can to peacefully reform and renew the Church. Then, we let God do the rest. We are not God. Invite people this lent to attend a Latin Mass, Traditional Retreat or Traditional group. Chill out and have more joy. God is still in charge of the Church and the world. We are only His humble servants.

**The focus of Lent** is the Cross and penance, penance, penance as we imitate Christ's forty days of fasting, like Moses and Elias before Him, and await the triumph of Easter. We fast, abstain, give alms, and think more of charitable works. Awakening each morning with the thought, "How might I make amends for my sins? How can I serve God in a reparative way? How can I serve others today?" is the attitude to have. **After the 40 days of Lent**, hopefully we have spiritually grown and have been renewed by the power of the Holy Spirit. The passion, death and resurrection of Jesus brought about the pouring out of the Holy Spirit on the apostles and the whole Church. This is the happy destination (being filled up with the Holy Spirit) we are trying to reach after the 40 days of traveling through the desert of lent. It is so wonderful to be a traditional Catholic.
